For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Business Outlook

The industry in India has experienced a rapid growth and has been a major contributor to the country's GDP. It has consistently registered strong growth rates and has been a significant source of employment generation. The industry offers a wide range of services including software development, IT consulting, system integration, application management, infrastructure services, testing and quality assurance and business process outsourcing (BPO). India is globally recognized for its IT and BPM capabilities. The country has a large pool of skilled IT professionals who are proficient in various technologies and programming languages. Indian companies have been successful in delivering high-quality IT services at competitive prices, making them preferred partners for global clients. India is primarily export-oriented, with a significant portion of its revenue coming from overseas clients. It serves clients from diverse sectors such as banking and financial services, healthcare, retail, manufacturing, telecommunications, and more. India has several prominent IT hubs, with cities like Bengaluru, Hyderabad, Chennai, Pune, and Gurugram (near Delhi) being major centers for IT and BPM activities. These cities have a robust technology infrastructure, presence of IT companies, and a supportive ecosystem for innovation and growth, the Indian government has implemented policies and initiatives to support the growth of the IT and BPM industry.

This includes incentives for IT exports, tax benefits, infrastructure development, skill development programs, and initiatives like Digital India and Make in India, which aim to promote digital

transformation and technology adoption across sectors. India has a large pool of skilled IT professionals including software engineers, data scientists and IT project managers. The industry actively focuses on continuous skill development to stay updated with the latest technologies and trends. Many IT companies have their own training programs and collaborate with academic institutions to bridge the skill gap. The Indian IT and BPM industry has witnessed a growing focus on innovation and entrepreneurship. Startups and tech incubators have emerged, fostering innovation in areas like artificial intelligence, blockchain, cloud computing, and cybersecurity. The industry faces certain challenges, such as increasing competition from other countries, rising labor costs, data security concerns, and the need to continually upgrade skills to stay relevant in a rapidly evolving technological landscape.

However, demand is expected to increase for services around digital channels, collaboration and workplace transformation, online learning, and workforce analytics. Companies are also expected to invest more towards building operational resilience, leveraging analytics, intelligent automation, cloud, and cyber security.

Baron's aim to optimally utilize its resources to grab all the possible opportunities for achieving the end results of the organization in the short run and to cater to the current needs of the market, while ensuring long-term sustainability in the areas of Software Development and Technology Services.

Performance of the Company

During the year 2022-23, Baron reported revenue of Rs.6.58 lakhs as against Rs. 12.41 lakhs in the financial year 2021-22. The Net Losses of the Company are Rs. 132.82 Lakhs as against the loss of Rs.31.14 lakhs in the financial year 2021-22.

Though the Company has been unable to carry on its operations seamlessly due to lack of software orders, Baron stays committed to its endeavor in exploring various business avenues to improve its performance and emerge as a profitable organization.

Opportunities, Threats, Risks, and Concerns

While the domestic market shows signals of increased IT spend by the government agencies, only large operators of the industry are able to address these big-sized opportunities since they have the capacity built-up with good cash reserves. Even multinational IT players are in the race to take up large deals which require substantial investments. As a result, smaller companies with limited or scarce resources certainly continue to remain handicapped and at a disadvantageous position, thereby facing difficulty in reaching their targets. Baron is one of the preys to such limitation.

The market reaction to the pandemic has been followed by rationalization of IT spend as the focus has shifted to prioritizing spending, based on cost constraints and business priorities. This has resulted in an adverse impact on the economic activity across the IT sector and shall continue to do so over the short term.

Fortunately, the Government is acting decisively to protect its businesses and people from the economic disruption caused by the pandemic. Whether through tax cuts, investment incentives or extensions to filing deadlines, the tax system has played an important role in helping alleviate the current financial and economic turmoil.

The pandemic has changed the consumption and delivery model for IT services leading to opportunities for IT service providers. For a significant number of roles in certain industry

segments, WFH is and will become the norm going forward. The focus on cyber security, network connectivity, resilience, and related business processes are opportunity areas for IT services. **INDEPENDENT AUDITOR'S REPORT ON AUDIT OF QUARTERLY AND ANNUAL
FINANCIAL RESULTS**

**TO
THE BOARD OF DIRECTORS
BARON INFOTECH LIMITED**

Opinion

We have audited the accompanying quarterly financial results of **BARON INFOTECH LIMITED** (the company) for the quarter ended 31st March, 2023 and the year to date results for the period from 1st April, 2022 to 31st March, 2023, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter ended 31st March, 2023 and the year to date results for the period from 1st April, 2022 to 31st March, 2023.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

NSVR & ASSOCIATES LLP

Management's Responsibilities for the financial results

These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial results for the quarter and year ended 31st March, 2023

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the company to express an opinion on the financial results.

Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors:

- (i) In planning the scope of our audit work and in evaluating the results of our work and
- (ii) To evaluate the effect of any identified misstatements in the Statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The statement includes the results for the quarter ended March 31, 2023 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2023 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under Listing Regulations.

Our opinion on the statement is not modified in respect of this matter.
